

A decorative scene set against a red brick wall. In the center is a white door with a glass insert featuring a diamond pattern, slightly ajar. To the left of the door is a dark wooden bench with black metal legs. A large, vibrant green fern hangs from the top left, and a potted plant with long green leaves sits in a wicker basket on the bench. To the right of the door is a white lamp post with three glowing yellow lanterns and a round green topiary tree in a grey stone pot. A small brown doormat with the word 'welcome' in cursive is on the floor in front of the door.

# Getting to Know Your New School

## CMS MISSION STATEMENT

# Vice Principal: Karla Landry

I am excited about becoming an Assistant Principal here at Carencro Middle School and with that excitement I bring 29 years of teaching experience in Lafayette Parish with me. I am dedicated to the district having attended elementary, middle, and high school here in the district. I have taught elementary and high school special education classes, participated in 504 trainings and meetings as co-chair for 10 years, was the School Building Level Chairperson for 11 years, and Lead Special Education Teacher for 4 years. In 2020 I was named High School Teacher of the Year by The Lafayette Education Foundation and it was truly a proud teacher moment for me. With the knowledge I bring to Carencro Middle School it is my hope to lead with a positive style of leadership, providing assistance to the administrative team, staff, students, and community members as needed.

I am a graduate of ULL (USL), obtained my Master's from the American College of Education and currently working on my Doctorate. Having a busy life keeps me on track. In my spare time I enjoy traveling with my family, playing with my grandkids and shopping with my mother (88).

I am a wife, mother and grandmother who loves her cats and dogs. My favorite poem is, YOU CAN IF YOU THINK YOU CAN, anonymous author, and it hangs near my desk so I can remember that all things are possible with a good mindset.

Please feel free to reach out to me with any questions, concerns, or suggestions.
